

ULTIMATE PRODUCTIVITY. SUPERB PHOTOS.

The Best of Both Worlds: Ultimate Office-Level Productivity and Brilliant Photo Printing.

Experience convenience, speed and versatility with the **Dell™ V715w All-In-One Wireless Printer**. This highly versatile printer comes with Ethernet and the very latest embedded 802.11b/g/n wireless* capabilities, allowing you and others to remotely use the printer without plugging cables directly into the printer.

Equipped with productivity-rich features, the Dell V715w All-In-One Wireless Printer gives you monochrome and color printing, copying, scanning and faxing capabilities. This versatile desktop printer can deliver increased productivity and professional print quality to meet the demands of your personal and business needs.

Print laser-like quality text documents in a flash with print speeds of up to 33 pages per minute black and up to 30 pages per minute color (actual print speed will vary with use). Create high-quality brochures, posters, greeting cards or fliers with a professional image print quality resolution of up to 4800x1200 dpi. Handle multi-page printing, faxing and copying effortlessly with the 50-sheet automatic document feeder. View and edit your photos on the adjustable 2.4" LCD color display and print directly from your memory card or PictBridge™ connection without turning on your PC. Optical Character Recognition (OCR) software is built-in to capture and produce editable text documents. The duplexer helps reduce the amount of paper used by allowing printing on both sides of the page.

Get the maximum value you deserve with a printing package that combines proven performance, simple and intuitive design, and high-quality service and support at an affordable price. Achieve more with the **Dell™ V715w All-In-One Wireless Printer**.

Dell V715w All-In-One Wireless Printer

Exceptional Performance

- Wireless* 802.11b/g/n and Ethernet.
- Versatile printing, copying, scanning and faxing.
- Crisp text and enhanced graphics enabled by 4800x1200 dpi print resolution.
- Fast monochrome ink printing up to 33ppm, and color ink printing up to 30ppm (actual print speed will vary with use).
- Eco-Mode button allows for 2-sided printing, dimming of LCD and power-down mode after 10 minutes of non-use.

Easy To Use

- Conveniently handle multi-page copying, faxing and document reproduction with the 50-sheet automatic document feeder (ADF).
- Quick plug-and-play setup with pre-installed drivers, when ordered in conjunction with a Dell system.
- Fast and easy ink installation and replacement.

The Dell Ink Advantage

Dell Ink Management System: EASY AS 1-2-3

1. Intelligent software alerts you when ink levels are low.
2. Click "Order Ink Online" and connect directly to **DELL.COM/Supplies** and **www.premier.dell.com** or call 1-877-ink-2-you.
3. Save time and money with free 3-5 day shipping.¹

Easy Ordering: Simply place your order online, or by phone, and Dell's world-class global supply chain will send a replacement cartridge direct to your door.

Reliable: Genuine Dell Ink helps give you optimal results with every print. Specifically formulated for Dell printers, every Dell ink cartridge is backed by our 2-year limited warranty.²

Recycling Made Simple: All genuine Dell Ink cartridges include a prepaid label for returning used cartridges for recycling, free of charge! Visit **DELL.COM/Recycling** for details.
