

SUPERB SPEED. EVERYDAY CONVENIENCE.

Introducing the Dell™ V313 and V313w All-In-One Printers.

Experience convenience, speed and efficiency with the **Dell™ V313 and V313w All-In-One Printers**. The Dell V313w comes with integrated wireless* capabilities so you can print professional-looking pieces from anywhere in your home or office – without cables. Cutting-edge technology now provides a faster printer than the previous generation with outstanding grain and banding quality using various types of paper.

Equipped with convenient features, the Dell V313 and V313w give you three functions in a sleek desktop design. From monochrome and color printing to copying and scanning, these versatile printers offer fast print speeds and brilliant results at a very smart price. Built-in Eco-Mode complements the feature set and increases energy savings by dimming the LCD display after 2 minutes and going into Power Saver mode after 10 minutes.

Get the maximum value you deserve with a printing package that combines proven performance, sleek and intuitive design, and high-quality service and support.

Pink and blue available only in USA and Canada.

Dell V313 and V313w All-In-One Printers
